

1450 Park Court, Suite 1

Chanhasen, MN 55317

AMETEK Land	Infrared Point Thermometers and Infrared Temperature Scanners
Ashcroft - Heise	Pressure Calibrators, Precision Gauges & Pressure Transducers
Bacharach	Refrigerant and Ammonia Monitors, Handheld Gas Detectors
Baseline-MOCON	Sensors, Analyzers and Chromatographs for Gas Analysis
Delta F Corporation, Inc.	Oxygen Analyzers from Percent Levels to PPB
GE Sensing	Ruska Precision Pressure Controllers & Dead Weight Gauges Druck Pressure Controllers, Displays & Instrument Calibrators Pressurements Piston Gauge Calibrators
Hitech Instruments	Gas Analyzers, Gas Measurement and Gas Detection
Kahn Companies	Cermet & Chilled Mirror Optical Dewpoint Hygrometers
Kaymont Consolidated Industries	Humidity-Temperature Calibration Systems
Mesa Laboratories	DATATRACE recorders for temperature-humidity-pressure
Power Monitors, Inc	Portable Voltage, Current & Power Quality Recorders for Electric Utility Service
RTD Company	Thermocouples and RTD Temperature Sensors, Customized for applications varying from OEM micro-sensors to process sensors and transmitters
Sensor Electronics Corporation	Oxygen Deficiency Detectors, Methane, Propane & Hydrogen Combustible Detectors, CO & NO2 Parking Garage Detectors & ETO in process Gas Detectors, etc.
Spectite Inc	Pressure and Vacuum Sealed Feedthroughs for Sensors, Probes, Electrodes and Wires, Single and Multi-Hole
Single Temperature Control, Inc	Temperature Control & Cooling Systems for Injection Molding
Tyco Environmental Systems	Continuous Emissions Monitoring Systems (CEMS)
Vaisala, Inc.	Humidity, Dewpoint & Temperature Transmitters, Calibrators, & Carbon Dioxide Transmitters

September 2009

1450 Park Court, Suite 1

Chanhassen, MN 55317

ELECTRIC POWER

Power Monitors Inc. - Portable Voltage, Current and Power Quality Recorders for Electric Utility Service

GAS MONITORING

Bacharach - Refrigerant & Ammonia Monitors

Baseline-MOCON - Sensors, Analyzers and Chromatographs for Gas Analysis

Delta F Corporation - Oxygen Analyzers

Hitech Instruments - Gas Analyzers, Gas Measurement and Gas Detection Equipment, both portable and installed

Sensor Electronics Corporation - Gas Detectors- Oxygen-Toxic Gases-Combustibles-ETO

Tyco Environmental Systems - Continuous Emissions Monitoring Systems (CEMS), Mercury Monitoring Systems

Vaisala - Carbon Dioxide Transmitters

HUMIDITY-DEWPOINT

Kahn Instruments, Inc - Dewpoint in compressed air, natural gas pipelines, processes

Kaymont Consolidated Industries - Humidity-Temperature Calibration Systems

Mesa Laboratories-Humidity, Temperature, Pressure for ETO Sterilizing and Process Validation

Vaisala - Temperature, Humidity & Dewpoint in HVAC, Ovens & Chambers

PRESSURE

Ashcroft - Heise - Pressure Gauges & Calibrators, including handheld, bench top & panel

GE Sensing - Druck, Pressurements & Ruska Digital Pressure controllers, Gauges & Calibrators, including portable hand held, bench-top & panel, Piston Gauge Calibrators

Spectite - Pressure and Vacuum sealed feed throughs for sensors, probes, electrodes and wires, single and multi-hole versions available

Vaisala - Barometric sensors & transmitters

TEMPERATURE

AMETEK Land - Infrared Point Thermometers and Infrared Temperature Scanners and Imagers

RTD Company - RTD and Thermocouple temperature sensors and assemblies

Mesa Laboratories - DATATRACE Humidity, Temperature & Pressure Data Recording for Process Validation

Single Temperature Controls, Inc - Temperature Control & Cooling Systems for Injection Molding

CONTACTS AT CONTROL HOUSE INC
