CONTROL HOUSE LTD.

1310 Highway 96 E, Suite 240
White Bear Lake, MN 55110
Main: (952) 746-3480

Manufacturers' Representative for Measurement Instrumentation and Controls

Electric Power

Power Monitors – Voltage, Current & Power Quality Recorders for Electrical Utility Service

Vaisala – Dissolved Gas & Moisture Analyzers for Power Transformers

Gas Monitoring

Ametek-LAND – Combustion & Environmental Monitoring

Bacharach – Refrigerant, Ammonia, CO2 & Toxic Gas Monitors, Fixed Detectors for other gases

Ametek Mocon-Baseline – Gas Chromatograph Analyzers and Detectors for Toxic Gas

Conspec Controls – Gas Detection Equipment for Carbon Monoxide, Oxygen, Toxic Gases & Combustibles

MTL Gas (Hitech Instruments) – Gas Analyzers

Sensor Electronics – Industrial Gas Detectors

Pressure

GE Measurement Solutions – GE Druck Pressure Calibrators and Controllers, Pressure Sensors

HEISE – Pressure Gauges & Calibrators

Relative Humidity – Dew Point

Kaymont – Humidity Generators for Calibration

Mesa Laboratories – Humidity, Temperature, Pressure for ETO Sterilizing & Process Validation

Vaisala – Temperature, Humidity & Dew Point

Temperature – Seals

Additel – Pressure and Temperature Calibration Equipment

Ametek-LAND – Infrared Point Thermometer, Infrared Temperature Scanners & Imagers

Conax – Temperature Sensors & Compression Seal Fittings

Control House – RTD & Thermocouple Temperature Sensors & Assemblies

Mesa Laboratories – DATATRACE Humidity, Temperature & Pressure Data Recording for Process Validation

Spectite – Pressure and Vacuum Sealed Feedthroughs for Sensors, Probes, Wires & Electrodes
