

**CONTROL
HOUSE LTD.**

1310 Highway 96 E, Suite 240
White Bear Lake, MN 55110

Main: (952) 746-3480

Manufacturers' Representative for Measurement Instrumentation and Controls

Electric Power

Power Monitors – Voltage, Current & Power Quality

Recorders for Electrical Utility Service

Vaisala – Dissolved Gas & Moisture Analyzers for
Power Transformers

VAISALA

Gas Monitoring

Ametek-LAND – Combustion & Environmental
Monitoring

Bacharach – Refrigerant, Ammonia & Toxic Gas
Monitors, Fixed Detectors for wide selection of gases

Baseline-MOCON – Sensors, Analyzers &
Chromatographs for Gas Analysis

Conspec Controls – Early Fire Detection CO
Systems for Coal Applications, Gas Detectors for
Oxygen, Toxic Gases & Combustibles

MTL Gas (Hitech Instruments) – Gas Analyzers

Pressure

GE Measurement & Control Solutions – Druck
Pressure Controllers, Calibrators & Sensors

HEISE – Pressure Gauges & Calibrators

Relative Humidity – Dew Point

Mesa Laboratories – Humidity, Temperature,
Pressure for ETO Sterilizing & Process Validation

Vaisala – Temperature, Humidity & Dew Point

Temperature – Seals

Ametek-LAND – Infrared Point Thermometer,
Infrared Temperature Scanners & Imagers

Conax – Temperature Sensors & Compression
Seal Fittings

Control House – RTD & Thermocouple
Temperature Sensors & Assemblies

Mesa Laboratories – DATATRACE Humidity,
Temperature & Pressure Data Recording for
Process Validation

Spectite – Pressure & Vacuum Sealed Feedthroughs

Thickness

Lumetrics – Precision Thickness Noncontact
Optical Inspection Systems
