

Electric Power

 <small>following business functions</small>	Eaton • Intrinsically Safe Barriers/Isolators
	Power Monitors, Inc. • Voltage, Current, and Power Quality Recorders for Electrical Utility
	Vaisala • Dissolved Gas and Moisture Analyzers for Power Transformers

Gas Monitoring

	AMETEK Land • Combustion and Environmental Monitoring
	Bacharach • Refrigerant, Ammonia, CO2 and Toxic Gas Monitors, Fixed Detectors for Gases
	AMETEK MOCON Baseline • Gas Chromatograph Analyzers and Detectors for Toxic Gas
 <small>following business functions</small>	Eaton • Gas Analyzers
	Sensor Electronics • Industrial Gas Detectors

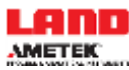

Pressure

	Additel • Pressure and Temperature Calibration
	Druck • Pressure Sensors, Druck Pressure Calibrators and Controllers
	Heise • Pressure Gauges and Calibrators

Relative Humidity – Dew Point

	Kaymont • Humidity Generators for Calibration
	Mesa Labs • Humidity, Temperature, Pressure for ETO Sterilizing and Process Validation
	Vaisala • Temperature, Humidity, and Dew Point

Temperature – Seals

	AMETEK Land • Infrared Point Thermometer, Infrared Temperature Scanners and Imagers
	Conax • Temperature Sensors and Fittings
	Control House • RTD and Thermocouple Temperature Sensors, Assemblies
	Eurotherm • PID Temperature Controllers and Data Acquisition Recorders
	Mesa Labs • DATATRACE Humidity, Temperature and Pressure Data Recording for Process Validation
	Spectite • Pressure and Vacuum Sealed Feedthroughs for Sensors, Probes, Wires, and Electrodes
